

## Middle School Activity Mobility Planning

1. Think about the places you go. Describe how you typically get from point A to point B.

---

---

---

---

2. If you couldn't use a personal/family vehicle, how would you get to your destination?

---

---

---

---

3. On a separate sheet of paper, design a poster that could be used on public transportation like a bus or train to encourage people to social distance.
